

FOREVER REDWOOD
From the Forest, For the Forest since 1995

Furniture & Wood Products
2012 Catalog

www.ForeverRedwood.com 866.332.2403

WELCOME TO FOREVER REDWOOD'S 2012 CATALOG!

Forever Redwood was founded in 1995. We are a forest restoration company. We mill a limited amount of California Redwood each year to build our highly valued furniture line. Forestry is the heart of our business, and each piece of furniture helps pay for the restoration and future purchase of additional forestlands. We can't do it without you! To learn more, please visit: <http://www.foreverredwood.com/restoration-forestry/overview>

Forever Redwood mills lumber the old-fashioned way. For example, a 2x6 is milled a real 2" x 6" instead of what is called a 2x6 today (1 ½" x 5 ¼"). The much thicker lumber is unique in the marketplace and is a consistent theme in all the catalog items.

Each "thick-timber" Forever Redwood piece is carefully hand built and finely finished with only the best materials available. We offer warranties of up to 30 years in any climate. The term Forever Redwood truly describes the line. The secret to outdoor longevity begins and ends with the wood. We use generous amounts of the most decay resistant wood available.

We encourage our customers to compare photos of our items side by side with any competing product. Thickness counts. Furniture that is thin and light simply won't last in the year round weather.

Our primary customer has always been the homeowner that appreciates spending a bit more for quality that will last decades. Our products are installed with organizations that appreciate longevity like the U.S. Forest Service, U.S. Military installations, State and City parks, Educational facilities, Golf clubs and Hotels.

We are favored also by landscape architects, developers and contractors because they can count on exceptional quality and quick personal service to complete projects.

Each product is finely finished and carefully inspected. Old-fashioned hand building also allows us to adjust the size or design of any item to fit your needs.

Because we are a forestry company, you can choose from 5 exceptional wood grades. **Weather-related wood decay is warrantied from ten to thirty years depending on the wood grade selected.** No other wood manufacturer has warranties anything like this. In the unlikely event your wood becomes soft for any reason before the warranty period expires, contact us and we will send replacement parts at no cost.

We are here to support you now and decades down the road also. If any issues arise, we will quickly work with you on a solution. Even if your furniture is out of warranty decades from now and you need a replacement part, odds are we will still be around and can help you keep your favorite old garden furniture in good shape for another 20 years....

We hope you enjoy this overview catalog introducing our product line. You can find more items and many more photos of the products introduced here along with complete pricing, options and additional information on our website.

Thank you for your interest. Please let us know how we can be of service.

From the forest, for the forest,

Raul F. Hernandez, CEO raul@foreverredwood.com.

Umbrella Hole Plugs

Umbrella hole plugs are made to fit the umbrella holes in our outdoor dining and picnic tables. They are a bit less than 2" in diameter. Furniture ordered with the umbrella hole option —**come with a matching plug included**— we offer this item as a replacement convenience for those who've misplaced theirs.

For a complete list of sizes, options and pricing, please go to: <http://www.foreverredwood.com/accessories/umbrella-holes.html> or call us.

Wood Samples

If you'd like to experience the quality of our wood before placing a furniture order—or if you'd like to see first-hand the difference between our five grades of wood—we offer a set of wood samples.

Wood Samples start at \$12. The purchase price will be refunded on your first furniture order. Please go to: <http://www.foreverredwood.com/accessories/wood-samples.html> or call us.

Shipping and Assembly

3 Shipping Options in the U.S.:

- **Free shipping** for orders over \$2,000. (orders ship in 7 to 9 weeks).
- **Standard shipping** (orders ship in 4 to 6 weeks).
- **Priority shipping** (orders ship in 2 to 3 weeks).

To see your shipping cost options, just add item to cart. In the continental U.S., add 4 to 5 business days transit time (depending on location). All orders ship from San Diego, CA.

Orders to Canada ship in 4 to 6 weeks. To see Canada shipping cost options, just add item to cart.

We ship to any country. For orders outside the U.S. or Canada, please contact us at info@foreverredwood.com. Shipping companies handle customs paperwork. They contact you to arrange delivery once order clears customs.

Most Forever Redwood items ship in a few easy to reassemble pieces with all hardware and assembly instructions included. All products are fully assembled in the shop prior to shipping to make sure reassembly is glitch free and quick.

Assembly Service Available in California: Just add a note in the comment box at checkout that you'd like us to assemble and we'll email a quote. Minimum \$95 assembly charge. Rates based on order size.

Thank you for your interest in our small company. We appreciate it and hope we can earn your support.

If we can answer any questions, we are available by phone (866 332 2403), email (info@foreverredwood.com), fax (619 374 2462), live chat or via our Contact Us form on our site. We are happy to answer any questions to help you make the best decision for your situation.

We accept all Major Credit Cards. You can also use PayPal, Google Checkout, and good old fashioned Checks and Money Orders. Purchase Orders are accepted subject to review.

Order confirmations are immediately sent via email. If you require confirmation in any other way, just let us know.
